

# Partner with us in prayer

Become a prayer supporter and pray for our ministry partners around the world and for the beneficiaries they serve.

Make use of our monthly prayer calendar which provides daily prayers for the work of WorldShare.

## Mission Trips

We can arrange for a group from your church to go on a mission trip to the ministry that you are supporting, to see first-hand the work they are doing to transform lives and how your support is making a difference.

You will have the opportunity to meet ministry leaders, see how the programmes run, meet those who benefit from them and much more.

# Who is WorldShare?

In some of the world's neediest places, our mission is to partner with local Christians in their vision to bring about social and spiritual transformation.

57  
countries

132  
ministries

75  
years

We partner with local Christian leaders, to support their God-given vision to share the Gospel, provide opportunity and restore hope to vulnerable communities around the world.

Our ministry partners know the communities they are serving, they understand the culture and speak their language. This enables them to build trust and relationships as they share God's love in practical ways.

## What do we do?

Our ministry partners serve communities suffering from physical and spiritual poverty, oppression, exploitation, food insecurity and lack of education and healthcare.

Our focus is always on long-term sustainable development rather than creating dependency. Working through locally-based leaders ensures the right help is getting to the right people.

By planting churches as well as training and releasing new local church leaders, our ministry partners are transforming lives and entire communities for the Kingdom of God.

**Will you partner with us as we continue enabling our ministries to serve their communities?**
