Our ministry partners

Our ministry partners are locally based leaders in some of the neediest parts of the world.

They have a God-given vision to serve their communities who are facing oppression, vulnerability and physical and spiritual poverty. They work to bring hope to the marginalised and exploited as well as provide for those living with food insecurity and lack of education or healthcare.

Our ministry partners are in the heart of the communities that they serve. They speak the language and understand the culture. This enables them to build trust and relationships so that they can share God's love in practical ways.

ChildAid

Our child sponsorship programme aims to bring the hope of the Gospel, practical help and education to a vulnerable and needy child. Monthly sponsorship of £20 can transform a child's life.
